Memo dated 5th March 1917 from the District Economic Superintendent, Shimoga to the Deputy Commissioner, Shimoga District.

The entire correspondence relating to the construction of a Students' Home at Tirthahalli for the Nadoru Community is submitted along with the necessary building and site plans and estimate for favour of recommending to Government a grant of half the cost of the building and equipment.

2. Nadors are a class of agriculturists in Malnad highly backward in education and through the influence and exertions of Mr. Devangi Ramanna Gowda, one of the few prominent members of this community, these people have now come forward to have a students' Home at Tirthahalli for the benefit of their children.

3. In order to promote secondary and higher education among this community, a Home at Tirthahalli is a necessity and the offer of half the estimated cost of the Home by Mr. Devangi Ramanna Gowda, its chief representative, deserves appreciation and encouragement.

4. As Mr. Ramanna Gowda has not ~~any~~ only undertaken to contribute half the cost but also agreed to construct the building early with the help of one Siddappa Gowda (Vide mutchalikas ' Panchayat List No. 9. 11 ' dated 15th January 1917 and 30th December 1916) and is reported to have deposited in Government Savings Bank a sum of Rs 1,000/- as earnest money, I beg that the Government may kindly be moved to sanction the other half viz., Rs 4,900/- as grant-in-aid for the construction and equipment of the Students' Home as per enclosed estimate prepared by the Maramat Department.

5. A suitable site has already been granted for the location of the building after personal inspection by the Deputy Commissioner.
